Notes: - Only currently open schools are listed. - Data extracted from schools reference data, MCEECDYA's remoteness classification data and Mid-Year Census 2013. - This list includes Staturday School of Community Languages, Norfolk Island Central School and John Brotchie Nursery School. - Oran Park Public School, Marie Bashir Public School and George Bass School opened in 2014 and currently do not have an ARIA and MCEECDYA remoteness. - For the purposes of State reporting, only students in Year 11 and 12 may be part-time. Hence there is no difference between "full-time" and "full-time equivalent" (FTE) enrolments for K-10 or ungraded in NSW Government schools.
